Thank you for your order. We have enclosed a sample of the new Gearmax Paddock Pack for you to consider. (Joe, thank you for the suggestion.) Wholesale cost is \$21.00, suggested retail is \$39.99. This product is a good line addition to drive up your average sale. We are working on the sales collateral now and will forward the picture of this bag filled with riding gear very soon. It is just the right size for paddock boots, gloves, helmet and chaps. We appreciate your business.

Kathy,
I was delighted to wholesale you these bags since you have a school program. In the event that you are looking for any additional items, we have a Paddock Pack also that is the perfect sized smaller back pack in black for the everyday equipment items (helmet, paddock boots, gloves and chaps). It wholesales for \$20 in orders of a dozen or greater. Thank you very much for your order.
